CHAOS

cha·os | \ 'kā-äs

noun

**1a: Complete disorder and confusion.
Unpredictable. Uncertain.
Appears random.**

A hand holding a magnifying glass over the text. The magnifying glass is positioned over the word 'CHAOS' and the first definition, making the text appear larger and more prominent.

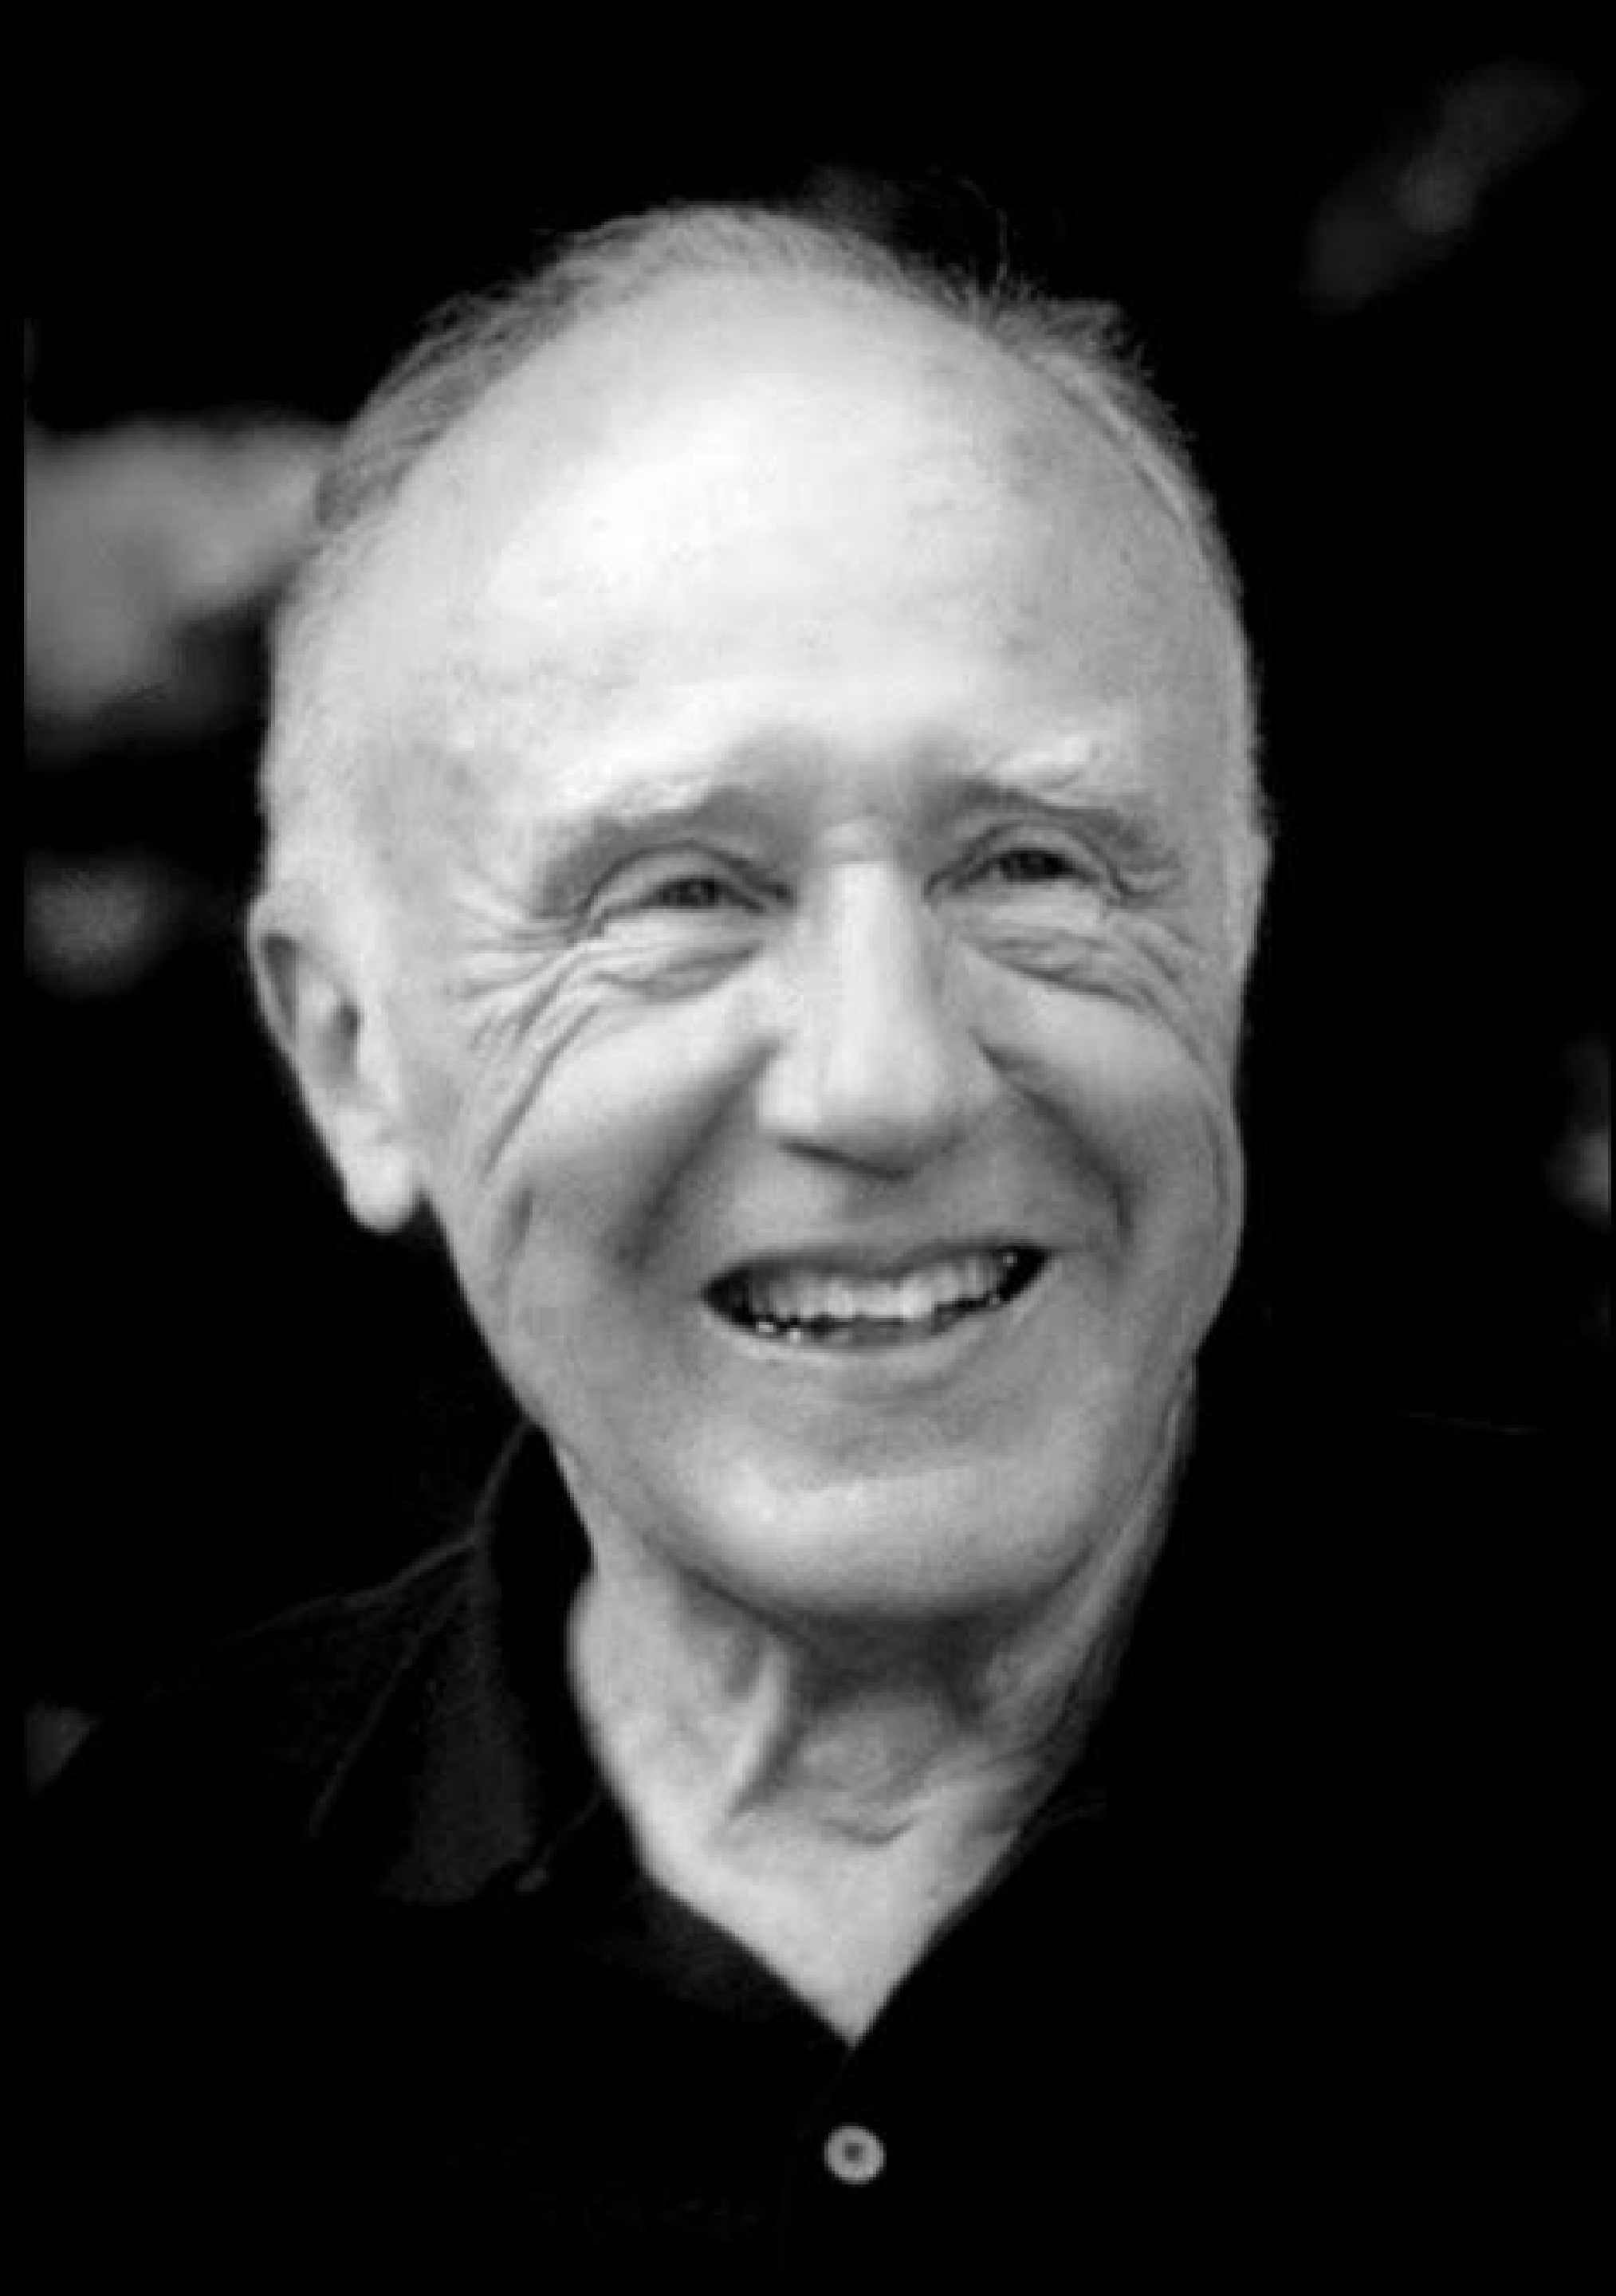

CHAOS

cha·os | \ 'kā-äs

noun

**1b: Great sensitivity to small changes.
When little things happen, you can
get totally flustered and overwhelmed.**

The flutter of a butterfly's wings
in one part of the world can
eventually cause a hurricane in
another.

- Edward Norton Lorenz -

CHAOS Conclusions

1. Small, almost imperceptible changes to the inputs produce huge variations over time.
2. Underlying patterns emerge.
